

## To add a ring account :

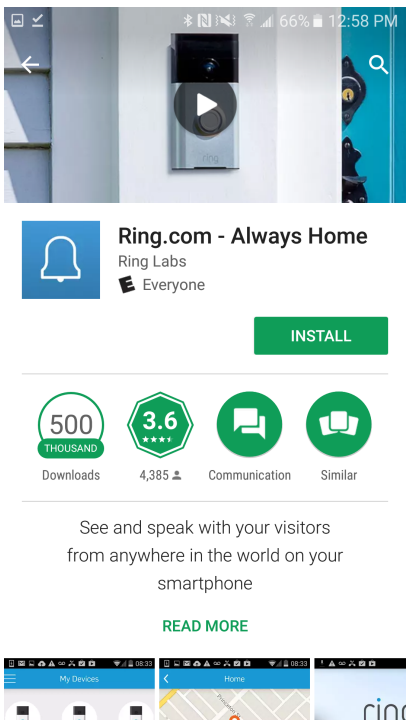

### 1- Download the Ring App from: Google playstore”

- To do so, Click on the play Store icon on the telephone
- Search for ” Ring”
- Click on Ring.com - Always “home” :

- Click on install :

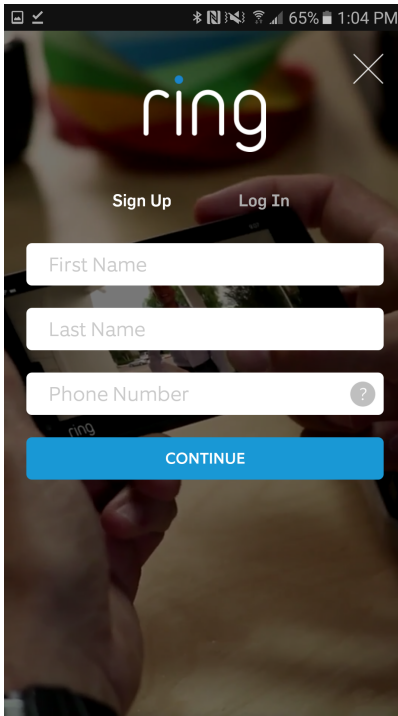

## 2- Once the installation is done

- launch the app by clicking ” open”.
- Now, click on the ” Setup device” Button :

**3- Enter your first and last name, and your phone number.**

A screenshot of the Ring app's sign-up screen. The background is a blurred image of a hand holding a smartphone. At the top, the 'ring' logo is centered, with a close button (X) in the top right corner. Below the logo are two links: 'Sign Up' and 'Log In'. There are three white input fields stacked vertically, labeled 'First Name', 'Last Name', and 'Phone Number'. The 'Phone Number' field has a small question mark icon to its right. Below the input fields is a blue button with the text 'CONTINUE' in white. The status bar at the top shows a battery level of 65% and the time 1:04 PM.
